designmarconato&zappa **egeo**

Egeo è un sistema di sedute componibile contraddistinto da un elevato comfort. Infatti, speciali poliuretani espansi sistemati nei cuscini di seduta e di schienale donano un relax senza confronti. Originale design caratterizzato da un equilibrato bracciolo e da un piedino di forma rettangolare disponibile anche nell'elegante versione alluminio lucido. Egeo è completamente sfoderabile.
Egeo is a modular system of seats characterized by an exceptional comfort, fully expressed in the cushions and seats coming with special foamed polyurethane. Its original design stands out for a well-balanced armrest and for a rectangular foot also available in an elegant polished aluminium version. Egeo has completely removable covers.
